

We'd like to thank all of our patients who participated in the "Help us go PINK" promotion to raise funds to cure breast cancer.

250 patients chose to wear "PINK" and Dr. Fried has honored his commitment to donate \$500.00 to the Susan G. Komen Fund.

Your support has been greatly appreciated.

Many thanks to Lowe's Greenhouse in Chagrin Falls for delivering our beautiful "PINK" Flowers.

Sincerely,

Dr. Fried and Staff
